

My Contributions 2025

Chatura Kuruppu

November 2025

- **“Machine Learning approach to determine the transverse single spin assymetry in J/ ψ production in SpinQuest experiment”**

Chatura Kuruppu

11th workshop of the APS Topical Group on Hadronic Physics, Anaheim, CA

- **“Measurement of DY Absolute Cross-Section for p+p and p+d Collisions with 120 GeV Proton Beam at Fermilab”**

Chatura Kuruppu

New Perspectives 2025, Fermilab, IL

- **“Measurement of DY Absolute Cross-Section for p+p and p+d Collisions with 120GeV Proton Beam in SeaQuest Experiment”**

Chatura Kuruppu

APS DNP Conference, Chicago, IL
